

Our Expertise Helps Your Project Run Smoothly

Our team of experts know how to assess a project and help you get exactly the materials you need with on-time delivery that's accurate every time.

"IPS has always treated us with professionalism and respect. They honor all their commitments and we recommended them to other contractors because of their excellent service to us."

- IPS Customer

Premier distributor of pipe, valves, fittings, and industrial supplies serving customers from coast to coast.

We'll own your project from start to finish

While other suppliers cause headaches and drop the ball on communication, IPS is known for knowing your project and helping you keep logistics on track.

Our quality assurance and quote accuracy are unsurpassed

When your schedule and budget are on the line you can count on the IPS team to ensure that you order exactly what you need at an accurate price—no spec conflicts, no surprise costs.
